**MASS 211**, 2-1-1 is the national abbreviated dialing code for **free access to health and human services information and Referral**. 2-1-1 is an easy-to-remember and universally recognizable number that makes a critical connection between individuals and families seeking services or volunteer opportunities and the appropriate community-based organizations and government agencies. 2-1-1 makes it possible for people to navigate the complex and ever-growing maze of human service programs. By making services easier to access, 2-1-1 encourages prevention and fosters self-sufficiency. It also is hoped to reduce the number of non-emergency calls inappropriately made to 911.
